Classifications help members find other members in their own industry, or in a field where they are looking for services through our online membership directory. They are a great tool for building your professional network within Rotary. Please choose a classification from the options below. You may then add up to 3 words to the end to make it more specific to the products or services you offer. For example, “Banking—Small Business Lending” or “Banking—Commercial”. The classification is subject to acceptance by the Membership Committee’s Classification team.

† Additional charges may apply based on frequency of attendance and number of corporate or family members participating in club luncheons. The quarterly meal charges include 12 lunches for that quarter; each lunch beyond 12 will be charged on a cost recovery basis, currently \$54.00 per person (tax included).

★ Individual couple, corporate representative, and family members can, on or before July 1, October 1, January 1 and/or April 1, elect to pay the quarterly meal charges of \$400 for the subsequent quarter. If they do, meals eaten by them shall not be counted in the limit of 12 for that quarter for the couple, corporate or family membership. Additionally, if such a choice reduces the representative corporate or family membership to one person, after excluding representatives who have elected to pay quarterly meal charges on an individual basis, the quarterly meal charge for the remaining corporate or family member will be reduced to \$400.

Individual members over the age of 65 receive a 10% discount on their dues. Individual members under 40 receive a 30% discount on their dues.

Guests are always welcome! The guest/visiting Rotarian rate is \$54.00 (tax included), payable at the door.

We encourage Rotarians to make up missed meetings at other clubs. For each official make-up card you submit from another club (indicating you attended a regular meal meeting of that club), you will receive a \$15 refund, payable at the end of the fiscal year.

Though all members are encouraged to attend the weekly regular meetings, we acknowledge in some circumstances this isn't possible. Therefore, the Board will consider written requests to register as leave of absence with "pay-as-you-go" for meals in special circumstances. Young Professional Division members are on "pay-as-you-go" for meals.
